MESSAGE

1. As we embark upon the third decade of the 21st century, the maritime commons have continued to grow in prominence as a source for sustenance, communication and commerce. The 'Indo-Pacific', as a concept, has consolidated and matured, reflective of the accelerating and deepening geostrategic interactions in this region. As maritime geography and national interests intersect, India will continue to depend on the seas, amidst new opportunities and intensifying global exchanges.
2. Opportunities in the maritime domain also bring with them attendant challenges. In the midst of a volatile Western neighbour and tense Northern borders, the Indian Navy has maintained robust readiness, forward presence and combat preparedness to thwart any challenge to India's security interest in the maritime domain. The Navy's comprehensive footprint and high operational tempo have also served as a firm deterrent, dissuading developments inimical to India's interests.
3. During the unprecedented global challenge posed by COVID-19, while the natural tendency has been to look inwards, the Navy has looked outwards, extending succour and support to friendly foreign countries. *Mission Sagar I and II* provided assistance and assurance to countries in the IOR at the height of COVID-19, reaffirming India's credibility as a committed, all-weather partner. Premised on the vision of *Security and Growth for All in the Region (SAGAR)*, the Navy has acted as the first responder during regional challenges, calamities and crises, fostering a secure and enabling environment for regional growth and prosperity. Serving as a bridge for collaborative partnerships, the Navy's engagements and operational exchanges with like-minded partners have helped consolidate the shared vision of a *Free, Open and Inclusive Indo-Pacific*, while strengthening international norms and conventions.
4. In meeting the challenges, the dynamism and zeal of our personnel have been true enablers. The men and women in whites have acted with resilience, commitment, and resolve, putting their shoulder to the wheel with a sense of purpose and ingenuity. Our operational platforms, in particular, have maintained a formidable forward presence, despite challenges posed by COVID. *Op Samudra Setu*, the Navy's largest repatriation mission till date, brought back Indian nationals from overseas during COVID, reflecting our unwavering commitment to support the national effort, no matter the challenge.
5. The theme adopted for Navy Day 2020 - "*Indian Navy - Combat Ready, Credible and Cohesive*" - reaffirms our commitment to effectively tackling myriad challenges in the maritime domain. Navy Day 2020 is also significant as we mark the commencement of the *Swarnim Vijay Varsh*, commemorating 50 yrs of India's victory in the 1971 War. India's resounding victory and Navy's cardinal role in the 1971 conflict, spur us to greater effort and devotion in the service of the nation.
6. Jai Hind. Śaṃ No Varuṇaḥ.

संदेश

1. आज जब हम 21^{वीं} सदी के तीसरे दशक में प्रवेश कर रहे हैं, तो समुद्र विश्व के आचार, संचार और व्यापार के प्रमुख माध्यम के रूप में उभरा है। 'Indo-Pacific' एक शब्द न होकर दुनिया को जोड़ने वाली एक अवधारणा के रूप में मजबूत हुआ है। क्योंकि समुद्र और राष्ट्रीय हित एक-दूसरे से जुड़े हैं, ऐसी स्थिति में नए अवसरों और प्रबल वैश्विक गतिविधियों के मध्य, भारत की समुद्र पर निर्भरता बनी रहेगी।
2. सामुद्रिक क्षेत्र में मौजूद संभावनाएं अपने आप चुनौतियां भी पेश करती हैं। पश्चिम में अस्थिर पड़ोस और तनावग्रस्त उत्तरी सीमाओं के मध्य भारतीय नौसेना ने भारत के समुद्री हितों के संरक्षण में आने वाली किसी भी चुनौती का सामना करने के लिए अपनी पुरख्ता तैयारी, तैनाती और युद्ध-तत्परता कायम रखी है। नौसेना की व्यापक उपस्थिति और प्रभावी ऑपरेशनल गति ने, राष्ट्र-हित विरोधी गतिविधियों के लिए एक प्रतिरोधक की भूमिका अदा की है।
3. कोविड-19 द्वारा उत्पन्न चुनौतियों के बीच, जबकि स्वाभाविक प्रवृत्ति अपने देश के हितों का ध्यान रखने की होती है, भारत ने मित्र देशों के हितों का भी ध्यान रखा एवं उनकी सहायता की है। नौसेना के **मिशन सागर 1 और 2** ने कोविड-19 महामारी की गंभीर स्थिति में, हिंद महासागरीय क्षेत्र में स्थित देशों को, सहायता और आश्वासन प्रदान करते हुए, इस बात की पुनः पुष्टि की है कि किसी भी प्रकार की चुनौती का सामना करने के लिए, भारत एक विश्वसनीय और समर्पित साझेदार है। *Security and Growth for All in the Region (SAGAR)* के विजन को आधार बनाते हुए नौसेना ने क्षेत्रीय चुनौतियों, आपदाओं और संकटों के दौरान सबसे पहले सहायता करने वाले राष्ट्र, यानि 'First Responder' की भूमिका अदा की है, और साथ ही क्षेत्रीय विकास और समृद्धि के लिए एक सुरक्षित और अनुकूल वातावरण को भी बढ़ावा दिया है। साझेदारी की दिशा में एक सेतु की तरह काम करते हुए, नौसेना ने समान विचारधारा वाले देशों के साथ संबंधों और संचिकात्मक गतिविधियों के जरिए *Free, Open and Inclusive Indo-Pacific* (स्वतंत्र, खुले एवं समावेशी इंडो-पेसिफिक) के साझे नजरिये को भी मजबूत बनाया है। इससे अंतराष्ट्रीय नियमों को भी बल मिला है।
4. इन चुनौतियों का समना करने में, हमारे कर्मियों की कार्यशीलता और प्रयासों का महत्वपूर्ण योगदान रहा है। हमारी टीम ने विभिन्न चुनौतियों का डटकर सामना करते हुए दृढ़ता से अपना कर्तव्य निभाया है। विशेष तौर पर, हमारे ऑपरेशनल प्लैटफॉर्मों ने अपनी मजबूत उपस्थिति बनाए रखी है और सभी मुसीबतों से निपटने के लिए स्वयं को पूरी तरह से तैयार रखा है। **ऑपरेशन समुद्र सेतु** के माध्यम से कोविड के कठिन समय में विदेश से भारतीय नागरिकों को नौसेना के युद्धपोतों पर वापस लाया गया। यह नौसेना द्वारा स्वदेश-वापसी का अब तक का सबसे बड़ा मिशन है, जो किसी भी चुनौती के बावजूद, राष्ट्र के प्रयासों में योगदान देने की हमारी प्रतिबद्धता को दर्शाता है।
5. नौसेना दिवस 2020 की थीम **'' भारतीय नौसेना – युद्ध तत्पर, विश्वसनीय एवं सुगठित सेना ''**, समुद्री क्षेत्र की असीम चुनौतियों से प्रभावी ढंग से निपटने की हमारी क्षमता को पुष्ट करता है। **नौसेना दिवस-2020** इसलिए भी महत्वपूर्ण है, क्योंकि हम **स्वर्णिम विजय वर्ष** का आरंभ कर रहे हैं, जो 1971 के युद्ध में भारत की जीत के 50 वर्ष पूरे होने के उपलक्ष्य में मनाया जा रहा है। 1971 युद्ध में भारत की शानदार जीत, और उसमें नौसेना की महत्वपूर्ण भूमिका, हमें पूर्ण निष्ठा और प्रयास के साथ राष्ट्र की सेवा में समर्पित होने के लिए प्रेरित करती है।
6. जय हिंद । शं नो वरुणः ।

(कर्मबीर सिंह)
एडमिरल
नौसेनाध्यक्ष

The 1971 War was a landmark moment in the annals of the young, 24-year-old Indian Navy. Under the pioneering leadership of Admiral SM Nanda CNS, and supported by Vice Admiral SN Kohli FOCINC (West), and Vice Admiral N Krishnan FOCINC (East), 1971 witnessed sound planning, synergised efforts, and flawless execution at all levels, resulting in the Indian Navy aiding a decisive victory for India by operating from a position of strength, displaying an aggressive attitude tipped with a killer instinct.

04 Dec 71. Op Trident was Indian Navy's daring raid on Karachi by missile boats INS Nipat, INS Nirghat and INS Veer supported by the Petya class ships INS Kiltan and INS Katchall. This audacious attack resulted in the sinking of PNS Khyber, PNS Muhafiz, MV Venus Challenger and setting on fire the Keamari Oil refinery. Cdr BB (Babru) Yadav led the missile boat strike while Cdr KV Gopal Rao was the overall in-charge of the operation.

On the midnight of 03/04 Dec 1971, in the Bay of Bengal, PNS Ghazi, a submarine deployed by Pakistan to hunt INS Vikrant, ended up being hunted in a classic game of patience and fortitude. A clever combination of deception, operational manoeuvre, close coast anti-submarine warfare and urgent rocket attack led the Ghazi to its doom as it sank off Visakhapatnam while the Fleet was operating near the Andaman Islands.

The Western Fleet, with INS Mysore as the Flagship of Rear Admiral EC Kuruville, achieved the desired degree of sea control and executed all operations successfully. The Fleet captured ships heading into Karachi and confiscated military cargo, thereby preventing the Western Wing of Pakistan from reinforcing troops or supplying goods to the Eastern wing. Shown in the image are the Commanding Officers of the Western Fleet displaying a captured enemy flag.

Naval Warfare is whole ship effort. The technical and logistics personnel play an extremely important role in ensuring power to firepower and steam to team. Whether it was in keeping the aircraft carrier moving at high speeds or the maintenance of missiles, our technical prowess came into play. The tech support played a strong and silent hand in this war. The image depicts aircrew preparing an aircraft for a strike operation.

In the Bay of Bengal, the Eastern Fleet reigned supreme and the aircraft carrier INS Vikrant was a game-changer as it wreaked havoc on East Pakistan. Continuous Air Strikes by the Sea Hawk fighters and Alize maritime reconnaissance aircraft resulted in heavy bombardment of East Pakistan cities such as Chittagong, Cox's Bazaar, Khulna, Chalna and Mongla. With this, the Indian Navy ushered the arrival of missile age in the region and proved that the aircraft carrier will be central to all maritime warfare concepts. The image depicts aircraft being launched for a strike mission.

INS Vikrant, under the able stewardship of Capt Swaraj Parkash, turned out to be the decisive factor in the war and the lynchpin of maritime operations on the Eastern Front, leading to destruction of enemy airfields, power house, wireless stations, fuel tanks, ports and other infrastructure in harbour. All enemy ships around Chittagong harbour or approaches were struck and incapacitated. In total, 57,000 tonnes of merchant ships, in addition to PNS Jessore, Comilla and Sylhet were destroyed, neutralised or sunk during the deadly air operations.

The Eastern Fleet, led by RAdm SH Sarma, established a strangulating blockade off the coast of East Pakistan, entailing control of contraband and throttling the then East Pakistan from sea. Enforcement of stringent Sea Control and Sea Denial measures ensured complete absence of enemy shipping along the entire coast. This, in turn, led to more than 90,000 prisoners of war as there was no escape from the sea for them. The illustration shows the officers and men on the deck of Vikrant post-victory. Aircraft and 'the Compass' are seen in the background.

Meanwhile other units of the Eastern Fleet – IN ships Kamorta, Kavaratti, Brahmaputra, Beas and Rajput got into action, capturing or sinking Pakistan Navy and merchant marine ships, including smaller gun boats and tugs. Overall, the ships were involved in the capture of six contraband carrying ships including MV Anwar Baksh, sinking of two gun boats, bombardment of Cox's Bazar and providing anti-aircraft cover for amphibious operations at Cox's Bazar.

On 09/10 Dec 1971, 'Force Alpha' a task force consisting of INS Panvel, gun boats Padma and Palash and BSF craft Chitrangada sailed into the backwaters of East Pakistan, to carry out a raid on Chalna, Khulna and Mongla. This daring deep penetration strike, led by Cdr MNR Samant, resulted in highly successful attacks on crucial, riverine enemy ports which took the enemy totally by surprise.

On 15 Dec, an amphibious landing was conducted at Cox's Bazaar by two Landing Ship Tanks (LSTs), IN Ships Gharial and Guldar, and MV Vishwa Vijay. This amphibious task force, in a joint operation, landed 'Romeo Force' consisting of 1/3 Gorkha Rifles, two companies of 11 Bihar, 881 Light Battery, an Ambulance Platoon, and an ASC Detachment. These forces effectively cordoned off the southern approaches from East Pakistan, thus precluding the possibility of the enemy's escape, and achieving decisive strategic advantage. The image depicts an artist's impression of the operation.

The historic victory of 1971 was achieved through the valour, gallantry, and professionalism of the Commanders and soldiers on-ground. It was also a product of meticulous planning, dynamic leadership and innovation at multiple echelons. The resounding finale was the product of resilient soldiers, sailors and airmen, who were motivated by their leaders and convinced by the righteousness of their cause. As for the enemy, it had no way but surrender. In the image, Lt Gen AAK Niazi of the Pakistani Army signs the Instrument of Surrender as the Indian Force Commanders look on.
