

## **Maritime Information Sharing Workshop at IFC-IOR - 12 - 13 Jun 19**

With a view to underscore the significance of collaborative maritime information sharing and develop better mutual understanding, Indian Navy is organising the Maritime Information Sharing Workshop (MISW) 2019 at IFC-IOR. The workshop will be a common platform for representatives from partner countries to get together and collectively discuss issues related to maritime security in the Indian Ocean Region and beyond. The workshop will be spanned over two days from 12 to 13 Jun 19 and would be attended by representatives from over 40 countries. This is a maiden endeavour of the Indian Navy towards interacting with partner countries in the field of maritime information sharing to bolster the maritime safety and security in the region.
