

MEDICAL ASSISTANCE TO IRANIAN FISHING BOATS
BY INDIAN NAVY SHIP

Indian Naval Ship *Trikand* which has been Mission Deployed for Anti-Piracy Patrol off the Gulf of Aden since 15 Jan 19 provided medical assistance to Iranian Fishing Boat *Husaini* off the Island of Socotra on 08 Apr 19. The fishing boat had a mixed crew of Iranian and Pakistani origin fishermen.

The fishermen were suffering from severe scabies and fever onboard and were accordingly provided with basic First Aid and medicines by the ship's medical team. Additionally, medicines for infection, cold, pain and ointments were also provided to the fishing boats for future use.
