IFC-IOR Comment: The Centre has monitored six incidents of hijacking of dhows by an unknown number of perpetrators off Somalia in the last two months. The perpetrators may likely use the hijacked dhow as a **mother ship** in attacking/ hijacking other vessels. Further, the analysis of past incidents has revealed that the mother ship (dhow) remains in the proximity of *MV* after boarding till the pirates establish control over the vessel as a possible means for a quick exit in case of intervention by naval forces. Vessels are advised to exercise extreme caution, remain vigilant and maintain strict anti-piracy watch and measures. Vessels are also requested to report suspicious activities to the nearest law enforcement agencies and IFC-IOR (ifc-ior.Gurugram@navy.gov.in).
