To ,
The officer in charge navpen.

Respected Sir I would like to bring to your notice that my experience about a boy at your office, he is none other than Mohan Tamada POLOG(Fand A)
Sir during my long tenure in the Indian Navy I had a chance to work with many Officers and Sailors and civilian staff also. Sir during my two and a half hour stay at your office I have observed Mohan Tamada handling all senior ex Service men, among them many were rude to him, but he has shown no sign of miss behavior or rude to any one of them. He has been calm and quite doing his task one by one, till the last minute keeping a smile in his face. Sir I just want to convey my Salute to him through you sir, to me his work was Commendable.

Thanking you Sir,

Your faithfully

Hon/LT K L Banik (Vsm)
