Part V – Evaluation Criteria & Price Bid issues

1. **Evaluation Criteria** - The broad guidelines for evaluation of Bids will be as follows:-
 - (a) Only those Bids will be evaluated which are found to be fulfilling all the eligibility and qualifying requirements of the RFP.
 - (b) Bids received from the bidders will be checked for correctness as per the Price bid format and the **total amount excluding taxes** quoted by the Bidders will be compared with each other. **The lowest amount exclusive of taxes will be considered as overall L1** rate for the item. The price Agreement will be concluded with the overall L1 firm i.e L1 for total amount quoted for consolidated items. (L1 will be determined on the rate obtained after subtracting the buy back rate (excluding taxes) from the rate of new items (excluding taxes).
 - (c) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected. If there is a discrepancy between words and figures, the amount in words will prevail for calculation of price.
 - (d) If in case, any miscalculation of price comes in commercial bid, on part of addition/subtraction/multiplication/division of any tax/duty/levies or any else, whatever the case may be for the purpose to determine L1, the calculation will be corrected without changing unit price and quantity at all.
 - (e) Any other criteria as applicable to suit a particular case.
 - (f) Any fictitious quote or any quote with unreasonably low amount will be rejected.
